

Villa Ducale

In the heart of the Riviera del Brenta, between Padua and Venice

Our offers

The Villa

Completely surrounded by its beautiful historic garden of over 10.000 m², the Villa was rebuilt by Conte Rocca in 1884 from its ancient ruins of the 1700's. In 1959 it became an exclusive hotel on the banks of the Riviera del Brenta.

Events

The historic garden and the Salone Ducale are the perfect location for special events: weddings, receptions, social or corporate meetings. Our luscious seafood or meat banquets can be served in the garden under the magnificent Magnolia trees or in front of a cosy fireplace, satisfying everyone's tastes.

Meeting & Restaurant

The Villa has spacious rooms for meetings that can accommodate up to 180 people as well as small gatherings. Our restaurant serves coffee breaks, light business lunches as well as receptions and social banquets.

Villa Ducale is the ideal location to start your tour of the Riviera del Brenta Villas or simply to reach the near cities of Venice and Padua .
